Nov. 1st- Popcorn orders due

Nov. 21st- Popcorn pick up for delivery

Dec. 5th- All outstanding monies are due.

Ways to Sell

Blitz Weekend- This is a weekend where scouts are encouraged to go out and sell popcorn. This is a District event where there is a chance to win prizes and earn a cool patch. A scout and their parent will check out up to a 100 dollars of popcorn to sell throughout the weekend. If they sell out they can get more. **(The scout and parent are financially responsible for all popcorn checkout.)**

Show-n-Sell- The pack is not doing them this year. However it may be done on a den level. The parents in the den handle everything from securing a location, to set up and take down. They may do as many as they want as long the Kernel approves. **(The scout and parent are financially responsible for all popcorn checkout.)**

Non Blitz weekend- This is where a scout and his parent may check out up to 100 dollars of popcorn at a time to go around and sell to neighbors and coworkers. All unsold popcorn is due back on Sept. 13th This is not a district event like Blitz weekend but it is another chance to reach your sales goals and prize level!! **(The scout and parent are financially responsible for all popcorn checkout.)**

Take orders- This is where a scout or a family member takes order on the order form. This can be done at home, neighborhoods and places of work. The popcorn will then be delivered at a later date. **(The scout and parents are financially responsible for all popcorn and monies. NO POPCORN CAN BE RETURNED)**

Online orders- This is an excellent way to sell to families and friends throughout the United States. Here families and friends can order and pay for popcorn online. The order will be shipped to their homes this is a hassle free way to sell. No need to worry about delivering popcorn or handling money.
